All dancers will be receiving a costume invoice for costumes. These invoices will have dates that payments need to be made. If you participated in fundraisers your profits will be put towards these first and reflected on your invoice. These costumes are the ones worn for competitions, community performances, and our end of the season dance showcase. In order for your dancer to participate in the annual recital, you will need to purchase the costumes. NO costumes will be ordered without 50% of payment on their account.

*Identify your dancer and the reason he/she will be absent from class.
