RECITAL: JUNE 5, 2022

Recreational Classes:

End of Year Performance: Each year we highlight our students and conclude the season with a formal dance showcase. Each class will perform 2-3 dances, a costume is required each routine. All dancers participating in the showcase must purchase the required costumes. Invoices will be distributed soon and sizing will take place this week.

Practice Videos: Please be sure your BAND APP is up and working. We will be placing videos and music in the files for each class. This is a great way to prep your dancer for our spring showcase.

Competition Classes:

Moving forward: We will begin to take measurements this month, the dancers have grown and developed, so now is the time. We are currently in the process of making final decisions on costumes.

Dress Code: We are experiencing an issue with dress in the classroom. We will begin to enforce the dress code of RED leotard and Black Leggings on all days except HIP HOP days. No exceptions, no dress = no dance. This allows for lines to be seen and all dancers in the correct clothing.

Music: All song selections will be uploaded to BAND APP this week. It is your dancers responsibility to make sure THEY are ready for each class and routine.

WE WILL COMPETE NO MATTER WHAT :)

Sooo much has been stripped from the dancers, I will make a way for them. Make sure they remain true and committed to their teams and attend classes. If in person class quota is not met, or account balance is not maintained, your dancer will not compete.
